

# IONITHERMIE IN THE PRESS

FIRMING BODY SPECIALIST

## ARM & TUMMY TRIM

*Woman & Home*

"I noticed a difference at once, as my waistline felt firmer and smoother and my tum less soft...it did all that for my upper arms too"

## BUST LIFT

*Top Santé*

"If gravity's already taken its toll, the Ionithermie Firming Bust Treatment can visibly lift your bust in one session"

## TUMMY TRIM

*The Times*

"Your skin is smoother and more taut; your tummy is also flatter. 8/10"

## CHEEK LIFT

*The Daily Mail*

"Kylie Minogue's and Paris Hilton's buttocks bear testimony to the effectiveness of this treatment"

*Elle*

"Everything's tightened up and I'm sooo smooth. Squats are definitely over! 5/5"

*Real*

"Fantastic. My jeans felt looser, the skin on my stomach looked more even-toned and my bottom seemed lifted. Result!"

## HIP & THIGH SCULPTURE

*Essentials*

"Give yourself a few weeks before a party, combining both a few salon treatments with the home versions and you'll definitely feel and look better in your little black dress"
